Forecast for Thursday 06 Jun 2024

Weather: Mostly dry start with some clear spells but a few light showers possible. Showers become more frequent through the morning, wintry above 800-1000m, before easing off towards sunset. Westerly winds will be strong and blustery at times.

Chance of cloud-free hill tops above 800m: 80%

Low cloud and visibility: Cloud generally above the tops and visibilities good, but cloud may rapidly fall to around 1000m and visibilities become poor as any showers pass by.
